

Action Flooring things to consider before you begin guide sheet

What areas do you plan on renovating	
What is your budget	
How soon are you looking to have this done	
Do you have a preference in product, colour or style	
How long do you require the floor to last	
Is this for life or re-sale	
Are there particular aspects you want to handle to save costs: furniture, removal of old flooring, preparation work, etc	
What type of use will this flooring require? Kids, pets, hospitality, etc.
